

Project Title: Soccer Tournament Management Website

Project Description: I designed and developed a dynamic soccer tournament management website from scratch, utilizing a combination of HTML, CSS, JavaScript, PHP, and SQL technologies. The website aimed to provide a user-friendly platform for managing soccer tournaments, registrations, schedules, standings, camps, and events.

Key Features:

User Authentication: Implemented a secure user authentication system with login and sign-up functionality to ensure controlled access to the platform.

Database Integration: Integrated a MySQL database using phpMyAdmin to store and manage user data, tournament details, schedules, standings, and other relevant information.

Multiple Sections:

- **Home:** Created an attractive and informative homepage with essential details about the website's purpose and features.
- **Schedule:** Designed an interactive schedule section displaying upcoming matches, dates, and venues.
- **Standings:** Developed a real-time standings section showing team rankings based on tournament performance.
- **Tournaments:** Designed a section showcasing various ongoing and upcoming tournaments with relevant details.
- **Camp:** Created a dedicated section providing information about soccer camps and related events.
- **Event:** Implemented an events section highlighting significant soccer-related happenings.

Soccer Registration Form:

- Created a user-friendly registration form allowing players to sign up for soccer tournaments.
- Implemented SQL queries to insert registration data into the database, ensuring efficient data management.

Dynamic Content:

- Utilized JavaScript to dynamically update content such as schedules, standings, and tournament details, providing users with real-time information.

Responsive Design: Ensured that the website was responsive and compatible with various screen sizes and devices, enhancing user experience.

Project Challenges and Solutions:

- **Database Integration:** Overcame challenges related to database integration by utilizing PHP and SQL to establish a seamless connection between the website and the phpMyAdmin database, enabling efficient data retrieval and storage.
- **Real-time Updates:** Addressed the need for real-time updates by employing JavaScript to fetch and display dynamic content without the need for page reloads.

Outcome: Although the project was eventually discontinued, it served as an excellent opportunity to hone my skills in web development, database management, and user experience design. Through this project, I gained valuable experience in implementing complex features, troubleshooting technical challenges, and creating an engaging and functional web platform.

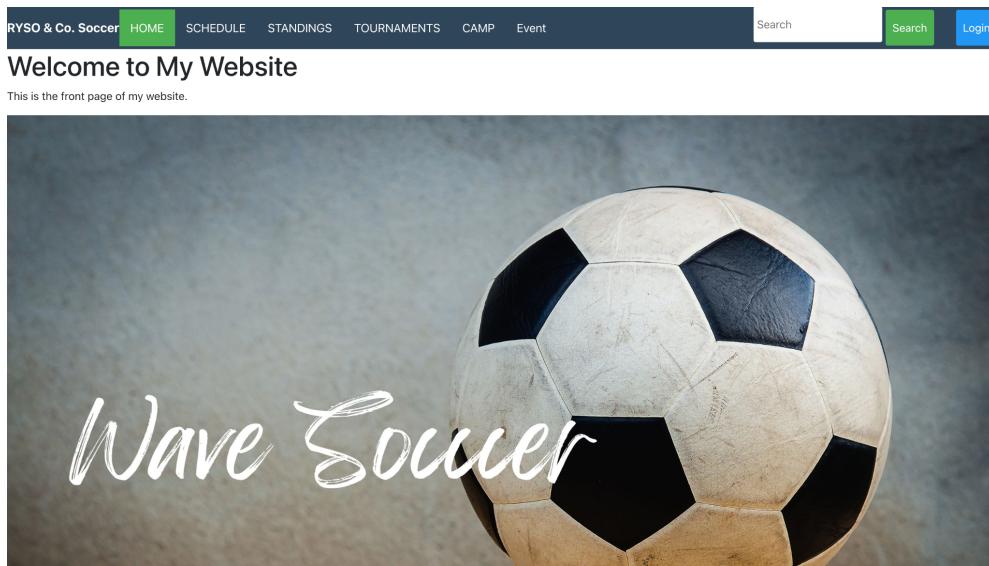

Skills Demonstrated:

- HTML, CSS, JavaScript for front-end development
- PHP for server-side scripting
- SQL and phpMyAdmin for database management
- User authentication and registration processes
- Responsive web design principles
- Dynamic content updating using JavaScript
- Problem-solving and debugging skills

Project Showcase: This serves as a visual representation of my web development capabilities and the depth of my involvement in creating this project.

Showcase Image #1:

In this instance, we've utilized CSS to modify the top navigation bar, changing its color to an appealing blue hue. We've added crucial tabs like 'Home,' 'Schedule,' 'Standings,' 'Camp,' and 'Event' to enhance navigation. Additionally, we've integrated a user-friendly search engine and a secure login feature for enhanced user experience

Showcase Image #2

Here is our Soccer registration form which has a submit button on the bottom. All this information is connected to the phpmyadmin databases. Which saves everything when a person fills out the form and submits the form.

Showcase #3

Schedule Page

Welcome to My Website

This is the front page of my website.

© 2023 My Website

Soccer Schedule

Date	Time	Home Team	Away Team	Location	Score
May 15, 2023	2:00 PM	Team A	Team B	Stadium X	2-1
May 20, 2023	3:30 PM	Team C	Team D	Stadium Y	0-0
May 25, 2023	4:00 PM	Team E	Team F	Stadium Z	1-3

Showcase #4

Standings page

The screenshot shows a website header with navigation links: HOME, SCHEDULE, STANDINGS (highlighted in green), TOURNAMENTS, CAMP, and a search bar. Below the header is a copyright notice: © 2023 My Website. The main content is titled "Soccer League Table" and displays a table with three teams: Team A, Team B, and Team C. The table columns are: Team, Played, Won, Drawn, Lost, GF, GA, and Points. All teams have 0 in every column.

Team	Played	Won	Drawn	Lost	GF	GA	Points
Team A	0	0	0	0	0	0	0
Team B	0	0	0	0	0	0	0
Team C	0	0	0	0	0	0	0

Showcase #5

Tournament page was empty as we discontinued the project.

Showcase #6

Camp Description

The screenshot shows a website header with navigation links: HOME, SCHEDULE, STANDINGS, TOURNAMENTS, CAMP (highlighted in green), Event, and a search bar. Below the header is a copyright notice: © 2023 My Website. The main content includes sections for "About Us", "WHAT'S INCLUDED IN THE FEE?", "INSTRUCTION, EQUIPMENT, & FACILITY", and "CHECKLIST OF THINGS TO BRING:". The "About Us" section contains a short paragraph and a link to "Hello this works". The "WHAT'S INCLUDED IN THE FEE?" section lists camp fees. The "INSTRUCTION, EQUIPMENT, & FACILITY" section lists camp requirements. The "CHECKLIST OF THINGS TO BRING:" section lists items to bring. At the bottom, there is a note about lost or stolen articles.

About Us

Hello this works

© 2023 My Website

WHAT'S INCLUDED IN THE FEE?

- Instruction: Training from coaching staff.
- Day campers: Lunch will be provided. Ice cold water will be provided everyday.
- Camp T-shirt & Prizes: All campers receive a Nike Soccer Camps t-shirt and prizes.

INSTRUCTION, EQUIPMENT, & FACILITY

- Groupings: Campers are grouped by age, ability, and experience.
- Equipment Needed: All campers must bring soccer cleats, shin guards, athletic shoes, and a water bottle.
- Facility: Glendale Sports Complex.
- Medical Protocol: Most camps have an athletic trainer on-site to help with illness or injury. In case of an emergency, campers will be transported to the nearest hospital.

CHECKLIST OF THINGS TO BRING:

- Athletic clothing.
- Soccer Cleats (no metal studs).
- Shin guards.
- Water bottle.
- Sunblock.
- Packed lunch and snacks.
- Small gym bag/backpack.

Our Sports Camps is NOT responsible for lost or stolen articles or money.

Showcase #7

Here we made a page of events. We didn't make the edit to make the navigation bar blue yet because of the project being discontinued.

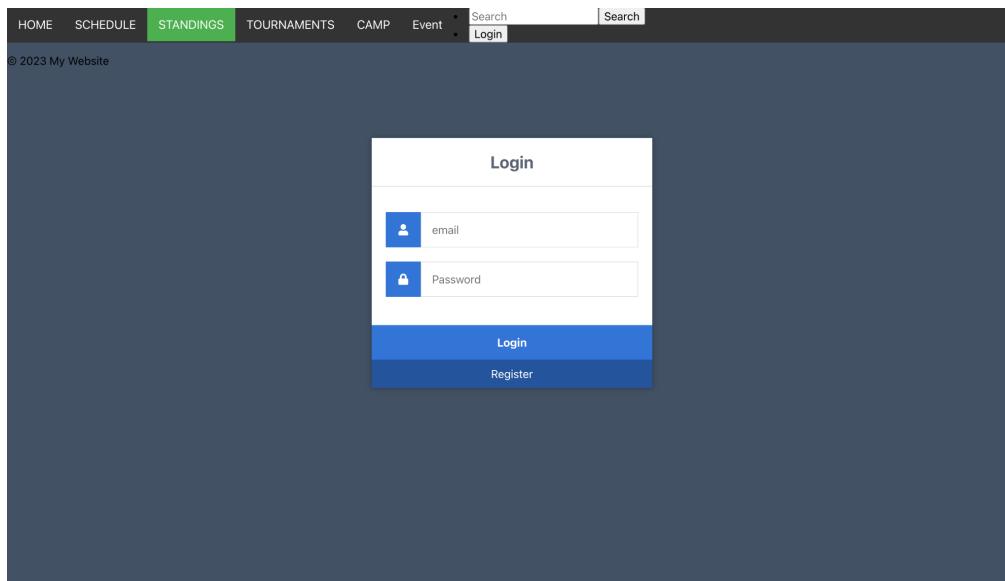

In the second photo we have the Event title and description on the right side. On our left side we imputed date and location with google maps.

The screenshot shows a dark-themed website header with a navigation bar containing links: HOME, SCHEDULE, STANDINGS, TOURNAMENTS, CAMP, Event (which is highlighted in green), Search, and Login. Below the header, a copyright notice reads "© 2023 My Website". The main content area is titled "Event Page". It displays three event cards, each with a thumbnail image, a title, a description, and a red "Reserve" button. The first card is titled "Event 1" with the description "Description for Event 1". The second card is titled "Event 2" with the description "Description for Event 2". The third card is titled "Event 3" with the description "Description for Event 3".

The screenshot shows a dark-themed website header with a navigation bar containing links: HOME, SCHEDULE, STANDINGS (which is highlighted in green), TOURNAMENTS, CAMP, Event, Search, and Login. Below the header, a copyright notice reads "© 2023 My Website". The main content area is titled "Event Title". On the left, there is a text box containing placeholder text: "Description: Lorem ipsum dolor sit amet, consectetur adipiscing elit. Proin eget vestibulum urna, in lobortis ex. Donec cursus eros ac est eleifend, sit amet consequat velit semper.". On the right, there is a map showing the location of "AMC Fallbrook 7" at "Event Venue". The map includes a red marker for the venue, nearby landmarks like "Walmart" and "HomeGoods", and street names like "Sherman Way", "Woodlark Ave", and "In-N-C". A legend indicates zoom controls (+, -, x). At the bottom of the map, there are links for "Map Data", "Terms of Use", and "Report a map error". Above the map, the text "Date: June 30, 2023" and "Location: Event Venue" is displayed.
